RE: 30 Day Post Runoff Report (11/17/2014 - 12/26/2014)

Dear Mr. Whyrick:

We are in receipt of your letter dated February 1, 2015. Our understanding of your letter is that some 48 hour notices were not filed while other contributions were incorrectly reported.

Upon review of the items in question, we have determined the source of the misinformation. The Campaign used FECfile for reporting Quarterly, Pre-Election, and Post-Election reports. The Campaign used the FEC's Online Webforms for reporting 48 hour notices.

The FEC Online Webforms appear to have transposed first and last names. In order for the report to correct reflect ?Eugene Sellers? as the contributor, we had to enter ?Eugene? as the last name and ?Sellers? as the first name.

We have amended the 48 reports containing the errors. Those reports were originally filed on November 21, 25, and 28, and December 2 and 4. A total of five 48 hour reports have been amended in response to your correspondence.

We trust this fully addresses the transposition of first and last names on these two 48 hour reports. If any additional information is needed, please contact me. We will fully cooperate with the FEC in remedying any impediment to full public disclosure of our campaign finances.

Sincerely,

Rachelle Marks, Treasurer
